JULY 9-12

Snowbird, Utah

DEAR EXHIBITORS & SPONSORS:

On the behalf of the National Neurotrauma Society, it is with great enthusiasm that I invite you to attend the 35th Annual National Neurotrauma Symposium, **Neurotrauma 2017**, to be held at the Snowbird Ski and Summer Resort, in Snowbird, UT on July 9-12th, 2017. Since its inception, this symposium has brought together scientists, clinicians, and health-care providers who are dedicated to the study of neurotrauma and to translating knowledge generated by research into improved patient care. Join your colleagues and initiate new collaborations at the premier forum for information related to traumatic brain injury and spinal cord injury in the setting of a gorgeous mountain resort. The theme for **Neurotrauma 2017** is ***"Elevating Discovery...Elevating Care."***

As in previous years, I am honored to announce that **Neurotrauma 2017** will be co-hosted by the National Neurotrauma Society and the American Association Neurological Surgeons/CNS Joint Section on Neurotrauma and Critical Care. This combination of expertise allows for presentations that integrate state-of-the-art clinical, translational, and basic science data. Elevate your knowledge and accelerate translation of new ideas by attending sessions from both societies.

The Scientific Program Committee has put together an exciting symposium comprised of plenary and break-out sessions in which the leading experts will share their up-to-date thoughts, research, and findings on neurotrauma. A central focus of **Neurotrauma 2017** will be the highly interactive mid-day poster sessions which will stimulate scholarly discussions on the mechanisms, assessments, and treatment of injury to the nervous system. Innovative workshops will be cover pertinent topics such as writing effective publications and grants, state-of-the-art patient care, conducting rigorous research, improving scientific communication, and use of cutting-edge technologies to accelerate discovery at both the bench and the bedside. CME credits will be provided for each day of the meeting.

Several unique opportunities for collaboration and mentoring are planned including: a welcome reception at The Summit, WiNTR lunch sessions, alpine activities at the Monday Night Mentoring and Collaboration Dinner, S'More Collaboration Campfire and the gala dinner celebrating the 35th

anniversary of the National Neurotrauma Symposium: ***"An Emerald Evening Celebrating the Past, Present, and Future of Neurotrauma."***

We have reserved a large block of rooms at two lodging locations at the Snowbird Resort. The first option is the newly renovated Cliff Lodge, one of North America's most iconic lodges wherein the majesty of Little Cottonwood Canyon can be enjoyed at a reasonable rate for attendees. Amenities include discounted access to the Cliff Spa, a fitness center, and a stunning rooftop pool and hot tub. The second option is the Lodge at Snowbird which features mountain views with exterior balconies for all rooms as well as an outdoor swimming pool and hot tub.

Getting to **Neurotrauma 2017** will be easy as Snowbird Resort is a 30-minute drive from Salt Lake City International Airport (SLC) and options for an airport shuttle will be available. SLC is served by 9 airlines and is a hub for a major domestic carrier. There are over 90 U.S. cities that have non-stop flights to SLC and there is non-stop service between SLC and Paris, Amsterdam, and London.

Neurotrauma 2017 provides innovate opportunities for learning, mentoring, and collaboration for all attendees. Every attendee from a trainee newly entering the field to the seasoned neurotrauma professionals will discover new information in a scenic and stimulating venue. I look forward to seeing you at Snowbird Resort!

Sincerely,

Candace L. Floyd, Ph.D.
2017 President, National Neurotrauma Society

NATIONAL NEUROTRAUMA SOCIETY

The National Neurotrauma Society is committed to the promotion of neurotrauma research by enhancing communications, providing a forum, and increasing support on the national and international level.

The National Neurotrauma Society seeks to accelerate research that will provide answers for clinicians and ultimately improve the treatments available to patients. The National Neurotrauma Society will continue to promote excellence in the field by providing opportunities for scientists, establishing standards in both basic and clinical research, encouraging and supporting research, and promoting liaisons with other organizations that influence the care and cure of neurotrauma victims.

EXHIBITOR OPPORTUNITIES FOR NETWORKING

Exhibitor “Meet & Greet” Area

Hosted location in the main lobby on Sunday, July 9 during the AANS/CNS meeting and main attendee arrival times. NNS will provide a designated complimentary lounge area for each company to set up as a meet & greet locale.

Set up your official booth in the morning, then mingle with attendees in the Cliff Lodge main lobby as they arrive in the afternoon.

Exhibit Hours & Lunch

Capture attendee interest during the poster sessions and lunches on Monday and Tuesday. Poster sessions are immediately before and after lunch, so attendees will be in the area for a 4.5 hour time block each day. Lunches are included for all attendees and seating will be available in the area for continued networking. *Attendees who get their Exhibitor Passports stamped by 10+ exhibitors will also be entered to win an iPad!*

✦ *Lunch & Learn sponsorships available*

Welcome Reception

All exhibitors and sponsors are invited to attend the first official event of the meeting at The Summit on Hidden Peak. Rub elbows with attendees as you take the 15 minute ride on the aerial tram to the top of the mountain, then take in the breathtaking views at 11,000 feet as you enjoy networking time with other attendees.

✦ *Sponsorship available*

Alpine Dinner & Networking Event

Join all attendees for a relaxing and fun evening on the mountain. Alpine rides will be open for guests to enjoy, along with casual BBQ fare and drinks.

✦ *Sponsorship available*

The Neurotrauma Symposium offers a variety of creative opportunities for you to promote your company and demonstrate your support for the neurotrauma community through maximum coverage of the meeting. If you have an idea and do not see it here or would like to combine several options to create a custom package, please contact us.

ADDITIONAL SPONSORSHIP OPTIONS

All sponsorship items listed below include recognition on website, official program, session slides & event signage with sponsor logo.

ATTENDEE BAGS - \$15,000

Includes conference bags with sponsor logo, one marketing piece inserted into bag, 2 complimentary delegate registrations and sponsor recognition on website, official program and session slides.

WELCOME RECEPTION - \$10,000

Join your colleagues atop Hidden Peak for networking and fun at the first official event of the conference. Board the aerial tram for a 15-minute ride to The Summit, where you will have a chance to mingle with other attendees, enjoy cocktails and hors d'oeuvres and the fantastic view at 11,000 feet. *Aerial tram may also be branded with your company logo*

S'MORE COLLABORATION CAMPFIRE - \$2,500

A modern-day spin on how people have bonded for centuries, this campfire is designed to connect and engage attendees in thought-provoking conversations outside of the typical structured business setting. We are kickin' it old school with a campfire and s'mores (of course!). If you are new to NNS, looking to make a few new friends or strengthen existing connections, this event is for you!

EMERALD GALA DINNER & AWARDS CEREMONY - \$10,000

Celebrate NNS' Emerald Anniversary at this plated dinner as we honor our Trainee Student Competition finalists and present the final awards for the NNS and AANS/CNS Poster Competition. *Includes 4 dinner tickets for sponsor.*
